Nowadays, we're pulled in so many directions... asked to spend more time at work, study more, do more. Yet deep down you yearn to reconnect and spend your time with your children, spouse, family... and even yourself.

So, how do you navigate across life's madness where confusion is rife and chaos reigns to ultimately come out stress-free? Easy...

By adding warmth, water movement and an infinite amount of soft, teasing bubbles that resemble the epitome of peace, serenity and lifetime memories.

Who couldn't do with a little more fun? Spending time in the hot tub brings out the fun kid in all of us and there is no better way to do that than with MSpa.

## Series Pages

First part will be a short intro of the hot tub series and visible just below the header.

### Frame Series:

The FRAME series blends revolutionary design with legendary performance, allowing you to reap the luxuries you deserve.

The latest super stiff, durable DWF material, built-in O3 ozone generators and all-in-one controls combine to deliver the safest and most effortless experience possible.

If you want a spa that matches a modern style home unlike any other? Then the FRAME series is for you.

### Muse Series:

The MUSE series embodies stylish elegance, delivering one of the best hydromassage experiences ever.

Our MUSE series has been given the same thought to an invigorating water massage thanks to its amazing hydromassage jets, the wisest inflatable spa ever, top-notch safety due to UVC & Ozone protection and easy access pocket.

Is having the most potent hydro jet and all the latest technologies what you're looking for? Then our MUSE series is perfectly made for you.

Urban series:

The URBAN series represents a distinguished styled, fully featured series of inflatable hot tubs designed for your ultimate enjoyment.

Representing the most thoughtful detail design, non-slip bottom and seat cushion, coupled with UVC & Ozone protection plus M-one auto inflation. The URBAN series delivers one of the top hydromassage experiences available.

If you desire a hot tub that brings you the latest technologies, designed to bring you a sophisticated lifestyle and comforting hydrotherapy experience, then the URBAN series is for you.

Delight series:

The DELIGHT series combines intuitive functionality with stupendous aesthetics to create the most elite spa experience.

Combining innovative technology and ground-breaking design, the DELIGHT series establishes a new standard in backyard luxury. These models feature staggering air bubble design, made to deliver a holistic body experience and many, many bubbles.

The DELIGHT series is the perfect choice for you if you're seeking the stimulation of muscle tension release and healing.

Comfort series:

The COMFORT series combines captivating aesthetics with unrivalled ease of use... prepare to surrender your body to the thousands of invigorating bubbles.

Putting comfort at the forefront, featuring a quick, effortless 3 minute hot tub inflation, fantastic design and in-built UVC sanitizer for the utmost safe, comforting experience.

Our COMFORT series features the budget-friendly line with the most classic styling and practical features.

Lite series: The LITE series is the closest thing to relishing the ultimate hydrotherapy experience in a natural spring.

Powered by an efficient smart touch controller, the LITE series is safe, effective and gives you the wonderful luxury you deserve.

If you're looking to create that sensational spa experience at a price you will love, then the LITE series is for you.
